

Receiver's Report on Requests for Compensation

January 15, 2007

Unite 1 Investment Assistance

A. Introduction.

This report is issued in accordance with *Order Re: Petition No. 11, Order Establishing Procedures for the Adjudication of Requests for Compensation* entered on July 27, 2006 ("Compensation") by the Arizona Superior Court for Maricopa County in the above referenced case ("Receivership Court"). Pursuant to the Compensation Order, requests for compensation were solicited from all persons known to have invested in the Unite 1 Investment Program. As of the date of this Compensation Report I have received 958 requests for compensation which are set forth in Exhibit 1. This report sets forth my recommendations, as the Court's Receiver, as to each of these requests for compensation.

Attached as Exhibit 1 is a listing of all requests for compensation filed by investors with the Receiver. This report identifies the name of the requesting party, the amount requested, and my recommendation on the request. As indicated in Exhibit 1 I have recommend that the request be approved either for the amount sought or in some cases for a different amount, or that the request be denied in its entirety.

B. Notice of the Compensation Procedures.

In accordance with the Compensation Order, on September 29th and October 2nd, 2006, I caused to be mailed by first class mail a written notice of the compensation process to 2,603 known investor for whom I had a name and address and some indication the person may be an investor in Unite 1. This notice included a form of notice substantially similar to amended Exhibit "B" to *Petition Number 11* which was approved by the Compensation Order, together with a copy of the Request for Compensation form approved by the Court and a copy of the Compensation Order.

In addition, on October 9, 2006, I caused to be published in *USA Today* a notice of the compensation process in a form substantially similar to amended Exhibit "C" to *Petition Number 11*, which was approved by the Court in its Compensation Order. Finally, on September 25th, October 2nd, October 9th and October 16, 2006, I caused to be published in *Arizona Republic* a notice of the compensation process in a form substantially similar to amended Exhibit "C" to *Petition Number 11*, which was approved by the Court in its Compensation Order.

C. Non-Investors.

I have not received any requests from employees, secured creditors, or general unsecured creditors of Unite 1. None of these persons would have qualified for compensation had they filed a request because they do not meet the definition of an "injured person" and only injured persons are entitled to receive compensation from the forfeited assets.

D. Investors.

As indicated in the attached Exhibit 1, I recommended for approval at the amount requested a total of 796 requests for compensation. In addition, I have recommended for approval at an amount less than requested a total of 32 requests for compensation. Finally, I have recommended for denial in their entirety, a total of 130 requests for compensation, for the reasons indicated such as the request was filed untimely or that it requested amounts that are unsupported by the records of Unite 1 or other documentation provided by the requesting party. The reasons for each of my recommendations are indicated in Exhibit 1. The total compensation recommended for approval as reflected in Exhibit 1 is \$665,820.63.

Dated this 15th day of January, 2007.

Lawrence J. Warfield, Receiver
